REMARKS

In the Office Action dated March 25, 2004, the Examiner rejected Claims 11, 12, 14,

16-22, 24, 26-32 and 34-41 under 35 USC §103(a). However, the Examiner indicated that

Claims 13, 15, 23, 25 and 33 would be allowable if rewritten in independent form including

all of the limitations of the base claims and any intervening claims.

Applicant amended the claims to clarify the structure which applicant believes

distinguishes the invention over the cited references, to clarify the functions of the claimed

invention, and to clarify the limitations within the claims drawn to such structure. However,

amendments have not been made to narrow the claims of the original application but, rather

simple, to clarify claims due to grammar that the Examiner found unclear.

Applicant respectfully requests that this amendment/response be considered by the

Examiner and a notice of allowance be entered. If the Examiner feels that a telephone

conference with the undersigned would be helpful to the allowance of this application, a

telephone conference is respectfully requested.

Respectfully submitted,

JACKSON WALKER L.L.P.
